The Westin, Melbourne

Partner Program Prospectus

Evotix Encore is our signature annual event, **bringing together over 100 safety, risk, and operational professionals** from across the region.

This dynamic gathering welcomes a diverse mix of attendees – including EHS leaders, health and safety managers, operational and site managers, safety practitioners, system administrators, industry specialists, and members of the Evotix team.

Throughout the forum, you'll have the chance to connect with peers, deepen your knowledge of our solutions, explore future roadmap developments, and gain practical insights you can put into practice in your organisation right away.

A unique opportunity for partners

Engage directly with decision makers focused on digital EHS transformation

Showcase solutions that complement the Evotix ecosystem

Strengthen joint go-to-market alignment

Demonstrate innovation in safety, risk, and operational excellence
