Evotix Encore · 2026

Maximise What Matters

Now extended across two days, our customer forum brings together **safety, risk, and operational leaders from across the region** for deeper connection and richer conversation.

Expect more time with peers, greater insight into the Evotix roadmap, and practical, real-world learnings designed to make an immediate impact.

Product Spotlight Sessions

Join our product-focused session to discover new ways to maximise the value of your Evotix solution through practical learning and direct access to product experts.

Deep Dive: Audit Scheduler

Explore the eagerly awaited Audit Scheduler capability and learn how it helps automate recurring audits and inspections, reduce missed actions and strengthen compliance.

Enhancing Reporting & Insights

Discover the latest enhancements to Insights, including new reporting, visualisation and dashboard capabilities designed to help you get more value from your data.

Making the Most of Assure Go+

Tips and tricks for getting more value from Assure Go+, including recent enhancements and practical ways to improve adoption across your organisation.

Unlocking Integration & Automation

Learn how organisations connect Assure with other systems, from common use cases through to implementation considerations.

***Bring your questions!** Each session will include time for **Q&A** with the presenters.

Program Highlights

Evotix Leadership Sessions

Hear directly from Evotix leaders on strategy, innovation, customer success, and the future direction of the platform.

Industry Insights

Thought-provoking discussions and expert perspectives on the future of safety, leadership, technology, and operational excellence.

Customer Stories

Learn from organisations that are successfully transforming their safety programmes and delivering meaningful business outcomes.

Networking Opportunities

Connect with peers, industry experts, and the Evotix team throughout the day, concluding with a networking drinks reception.
